COLONIAL SECRETARY'S OFFICE,
March 14th, 1872.

THE LIEUTENANT-GOVERNOR directs the publication of the following Notice, which has been forwarded to him from the Hydrographic Office, in London, for general information.

A. ROCKE ROBERTSON,
Colonial Secretary.

HYDROGRAPHIC NOTICE.

[No. 26.]

North Pacific Ocean.—Gulf of Fonseca.

The following account of a sunken rock lying nearly in the fairway of the channel leading to Amapala, on Tigre Island, in the Gulf of Fonseca, has been received from Commander Herbert P. Knevitt, R.N., H.M.S. *Fawn*, 1871.*

[All Bearings are Magnetic. Variation 7° 25' West-
erly in 1871.]

A pinnaele rock, at present well marked by the wreck of a steam-vessel, lies 120 yards to the westward of Knob Island with a depth of 6 fathoms, 20 yards to the westward of the wreck, and 4½ fathoms between it and the land.

From the wreck, the north and south extremes of Knob Island bear N. E. ½ E. and S. E. respectively, and the south-western point of Tigre Island S. S. E. ¼ E.

The funnel of the steam-vessel shows well above water at all times of the tide, and may stand for a long time, but on the removal of this mark the rock will become a formidable danger, as a bank has formed round the wreck, and appears to extend towards Knob Island.

The tide at a quarter flood sets past the rock at the rate of 2 to 3 miles an hour.

4th March, 1872.

THE Lieutenant-Governor directs that the following Telegram, which he has just received, be published in the desire to prevent Her Majesty's loyal Subjects in this Province from suffering any anxiety through exaggerated or incorrect reports of the event to which it refers, and in full assurance that it will afford a fresh occasion for the renewed expression of the attachment of the people of British Columbia to the person of our beloved Sovereign.

A. ROCKE ROBERTSON,
Colonial Secretary.

Ottawa, Ontario, March 1st, 1872.

Received at Victoria, March 4th, at 4 p. m.

To Lieutenant-Governor of British Columbia.

I have received the following telegram from Lord Kimberley, of which you can make such use as you may think proper.

LISGAR.

"Yesterday a youth presented a pistol at the Queen, when about to leave Her carriage at Buckingham Palace, on returning from Her drive. He was immediately seized. The pistol was found not to be loaded. Her Majesty behaved with the greatest courage and composure, and is in good health and spirits. This is sent to prevent alarm from exaggerated reports.

"(Signed) KIMBERLEY."

COLONIAL SECRETARY'S OFFICE,
March 19th, 1872.

HIS Excellency the LIEUTENANT-GOVERNOR directs the publication, for general information, of the following Despatch and enclosures from the Secretary of State for the Provinces.

By Command.

A. ROCKE ROBERTSON.
Colonial Secretary.

OTTAWA,
January 16th 1872.

SIR,—I have the honor to enclose, for the information of your Government, two copies of a Circular Despatch addressed to His Excellency the Governor-General, by the Secretary of State for the Colonies, with a similar number of copies of the Despatch and Circular therein referred to.

May I request that you will take such measures as you may think advisable to secure the desired interchange of communication between the several Commercial and Agricultural Societies in the Province of British Columbia and the Government of India.

I have, &c.,
(Signed) JOSEPH HOWE,
The Hon. Secretary of State for the Provinces.
J. W. Trutch, Lieutenant-Governor,
Victoria, British Columbia.

CIRCULAR.

DOWNING STREET,
10th November, 1871.

SIR,—I have received from the Duke of Argyll a copy of a Despatch from the Governor-General of India in Council, and a copy of a Circular which His Grace, in pursuance of the request contained in that Despatch, has addressed to the Chambers of Commerce and other authorized institutions of that nature in the United Kingdom, inviting direct correspondence with the Government of India on matters connected with Agriculture, Commerce, Improved Machinery, and the like.

I transmit to you printed copies of those documents, and have to request you to give them such publicity as will be most likely to secure the desired interchange of communications between the several Commercial and Agricultural Societies and Institutions in the Colony under your Government and the Government of India.

I have, &c.,
(Signed) KIMBERLEY,

DEPARTMENT OF REVENUE, AGRICULTURE,
AND COMMERCE.

[AGRICULTURE AND HORTICULTURE.]

The Governor-General of India in Council to Her Majesty's Secretary of State for India, Simla,
August 24th, 1871, No. 7.

EXTRACT.

Our attention has been called to the importance of obtaining for the use of the Department of Revenue, Agriculture, and Commerce, and for general information, early copies of all papers (reports, circulars, and the like) issued by the Liverpool and other important Chambers of Commerce, and by leading English firms, relating to staples such as cotton, jute, rice, indigo, silk, and others, which form important articles of commerce between India and Great Britain.

2. We shall feel much obliged if, to prevent the delay inseparable from the passage of such papers through the several official channels, Your Grace could arrange for their prompt transmission by the publishers direct to the address of our Secretary in the Department of Revenue, Agriculture, and Commerce, Calcutta.

3. We should be happy to reciprocate by furnishing any information in our power, by supplying copies of such printed papers as might be desired in regard to the state of our crops and the position of our trade.

4. It is specially a matter of importance to us to obtain the earliest possible information as to the state and prospects of the American cotton crop. Agricultural conditions in many parts of the United States are very similar to those that obtain throughout the vast tracts of India. Many improvements in cultivation and very many of the mechanical contrivances for facilitating agricultural operations, that have been found beneficial and remunerative in America,

would prove, we believe, scarcely less applicable to many parts of this Country. We would, therefore, request the favour of Your Grace's arranging, if possible, for the direct transmission to us of all periodical reports on the cotton crop, the progress of agriculture generally, and the development of all agricultural appliances, issued by the American Bureau of Agriculture, whom we would in turn supply with any papers they might indicate relating to our cotton crop and the progress of agriculture here.

5. Through the public newspapers and through private channels, we often hear of American inventions which *prima facie*, appear likely to be useful here, and in regard to which we desire further information. There are also many matters of detail connected with the trade and Agriculture of America, the Colonies, and other Countries, in regard to which more precise information than we can at present obtain is often very desirable, and at times is urgently required.

To the President of the _____

1871.

SIR,—I am directed by His Grace the Secretary of State for India to transmit to you the accompanying extract of a Despatch which has recently been received from His Excellency the Governor-General of India in Council, requesting that His Grace will assist him in establishing direct communication between the Government of India and the several Commercial and Agricultural Societies and Institutions in the United Kingdom, on subjects connected with Agriculture and Commerce.

The Duke of Argyll has assented to this request of the Governor-General, and I am to request you to move the _____ to assist His Grace in complying with the wish of His Lordship in Council, by forwarding direct to the Government of India such papers and information as may be published by the Association over which you preside, so soon as they are issued, and also by directing the attention of the Government of India to such points as you may deem it useful for them to be acquainted with.

All communications should be addressed to the Secretary to the Government of India in the Department of Revenue, Agriculture, and Commerce, Calcutta.
